Extra organics collection Nov. 3-6

Is your fall yard work leaving you with more organic waste than what fits in your green cart? Take advantage of the final extra organics collection event of the year, from November 3-6.

To participate, place your extra organics out on your regular waste collection day in brown paper lawn or yard waste bags. (Collection days for some neighbourhoods have shifted - check sprucegrove.org/Waste for details).

Extra organics can also be dropped off at the Eco Centre for no charge (up to three cubic metres). Learn more at sprucegrove.org/ExtraOrganicsCollection.

Conflict Resolution: Difficult Conversations workshop

Whether you work with a team, lead volunteers, coach, serve on a board, or partner with your community, knowing how to navigate difficult conversations can make a big difference.

This interactive workshop offers practical tools to help recognize barriers to effective communication, apply strategies for navigating challenging conversations, and understand how communication supports positive relationships.

Saturday, November 21, 9 a.m. to 3 p.m.
$10 per participant

Register by Nov. 13: sprucegrove.org/Workshops

News You Can Use

2027 Awards of Excellence nominations open now

Do you know an outstanding member of our community who has achieved national or international recognition? Nominate them for a 2027 Award of Excellence! The deadline for submissions is December 15. Learn more and nominate online at sprucegrove.org/AOE.

Join the Council Remuneration Review Advisory Committee

Get involved in shaping policy on appropriate remuneration for the role of Mayor and Councillor. Share your perspective, connect with others, and help inform policy by joining the Council Remuneration Review Advisory Committee.

The Committee will meet, on average, once a week for approximately 8 weeks in late winter/early spring 2027 to review and consider information that will form a final report to Council.

Apply at sprucegrove.org/Boards.

Remove driveway aids by October 31

Driveway aids (also known as driveway ramps or curb ramps) must be removed from City streets by October 31, as per Spruce Grove's Traffic Bylaw. When the snow comes, ramps can freeze to the road surface and get caught up in snow removal equipment, causing costly repairs and delays. Driveway aids are permitted on curbs from May to October each year. Learn more at sprucegrove.org/DrivewayAids.
