

**EMPLOYMENT OPPORTUNITY
SENIOR OPERATOR
PUBLIC WORKS – UTILITIES
PLANNING & INFRASTRUCTURE DEPARTMENT**

Reporting to the Supervisor of Utilities, employees in this class perform skilled manual work and operate all vehicles and equipment in accomplishing all operations and maintenance tasks assigned in delivering the prescribed programs and services in the Utilities Section of the City's Public Works Division. The work of this position is differentiated from that of an Operator as the experience, training and education requirements are more extensive. An incumbent receives oral and written instructions from a supervisor who evaluates the work performed. Employees in this position are continuously responsible for the task coordination of employees assigned as helpers (team leader) and are to promote a positive, secure and safe work environment.

REQUIRED TRAINING AND EXPERIENCE:

1. A minimum of five years of experience in the tasks and operation of equipment assigned to the position or an equivalent combination of training, knowledge and experience.
2. Completion of the twelfth school grade; AB Environment Level 3 water distribution (WD-III) and wastewater collection (WWC-III); Level 1 wastewater treatment certification (WWT-1); related technical school diplomas.
3. Possession of a valid Alberta Class 3Q Motor Vehicle Operator's License is mandatory.
4. WHMIS, Equal Potential Grounding Certification, Transportation of Dangerous Goods and First Aid Certification, would be considered an asset.
5. Formal heavy equipment operations training and/or underground construction experience.
6. Diploma or certification in a team leader or leadership course is mandatory.

The hourly rate for this position ranges from: Probation \$22.70 to fully Qualified at \$25.21, with a comprehensive benefits package.

Applications will be taken until a suitable candidate is found. Please submit resumes to:
