## News You Can Use

### Invasive goldfish management strategy underway

Goldfish management at the Easton stormwater management facility continues next week. Considered an invasive species by the Government of Alberta, goldfish pose several risks to stormwater management facilities and natural aquatic systems. Get more details by visiting [sprucegrove.org/InvasiveGoldfish](http://sprucegrove.org/InvasiveGoldfish).

### Pioneer Cemetery clean-up scheduled for Oct. 30, 2026

The City of Spruce Grove is committed to caring for Pioneer Cemetery as a peaceful, well-maintained place where families can honour and remember their loved ones.

In keeping with the City's Cemetery Bylaw, we will be conducting scheduled site maintenance and clean-up on Oct. 30, 2026.

As part of this work, non-permitted items including furniture, fences, benches, statues, and additional landscaping, will be carefully removed. This ensures the cemetery remains a respectful and accessible space for years to come.

Some items, while placed with love, can create maintenance barriers, safety concerns, or pest issues, and may be blown into surrounding areas, causing hazards or litter.

If you have placed any non-permitted items on cemetery grounds, we kindly ask that you collect them for safekeeping before Oct. 30, 2026.

Uncollected items will be respectfully catalogued, collected, and stored at a City facility until Oct. 30, 2027. Families can arrange to retrieve items by contacting Public Works at 780-962-7584.

Thank you for your understanding and partnership as we care for this special place.

## Residential street sweeping underway

Residential street sweeping has started and will take place weekdays, weather permitting. Please give crews room to work by removing vehicles and other obstacles (e.g., sports equipment and waste carts) on your neighbourhood's assigned day. To find out when street sweeping is scheduled in your area, visit [sprucegrove.org/Sweeping](http://sprucegrove.org/Sweeping).
