Extra organics collection October 5-9

The City holds extra organics collection events to provide residents the opportunity to easily dispose of organic materials, and the next extra organics collection event is from October 5-9.

To participate, residents must place their extra organics out on their regular waste collection day in brown paper lawn or yard waste bags. The last extra organics collection event for the year will take place on November 3-6.

For more information, visit sprucegrove.org/ExtraOrganicsCollection.

Come for the hobbies, stay for the good vibes!

Hobby Hub is a welcoming space for everyone to explore their interests, share their favourite hobbies, and connect with others of all ages in a welcoming, low-key environment. The first one is scheduled for Saturday, Oct. 3 from 2-4 p.m. at Kickstand Spruce Grove (West Log Cabin, 447 King Street).

Help shape the future of our parks

We're building a new Parks and Open Spaces Master Plan to guide how our parks, trails, and open spaces are developed and maintained over the next 15 years. We need your feedback:

- Take the community survey and tell us what you love, where improvements could be made, and what you'd like to see in the future.
- Explore the interactive map using the mapping tool on our website to share feedback about specific locations. Add a marker to tell us what you like, what could be improved, and where future opportunities exist.

Find links to the survey and mapping tool at sprucegrove.org/ParksAndOpenSpaces.
