News You Can Use

Adaptive signal technology

NoTraffic adaptive signal technology is now active at 12 intersections along Jennifer Heil Way and Highway 16A. The technology responds to real-time traffic conditions, adjusting signal timing as traffic changes throughout the day to help create a smoother, more efficient commute.

Find the details at sprucegrove.org/SignalOptimization.

REMINDER! Waste, organics and recycling collection schedule changes start next week

Starting Oct. 19, all blue bag recycling will be collected on Mondays.

The change means some residents will have a new waste collection day. If your waste and organics are currently picked up on Mondays, your collection day will shift to one of the following:

- Tonewood & Fenwyck □ moving to Tuesday collection
- Hilldowns □ moving to Wednesday collection
- Prescott & Greenbury □ moving to Thursday collection
- Spruce Village & Kenton Village □ moving to Friday collection

Residents with waste and organics collection on Tuesday, Wednesday, Thursday or Friday will still have it collected on those days. Only their recycling will shift to Mondays.

Visit sprucegrove.org/Waste for more info and sign up for waste collection reminders through text, email or phone calls at sprucegrove.org/Sort.
