The permit applicant shall be responsible to ensure that all construction work or installation has or will be completed in accordance with the Safety Codes Act of Alberta and Municipal Bylaws.
 The Electrical Permit shall automatically lapse and become void if active work or installation is not commenced within 90 Days from the date of the approved Electrical Permit, or if work approved for the permit is suspended or abandoned for a period of 120 Days at any time after the work is commenced. Before work can proceed again, a new Electrical Permit shall be obtained and new fees would be required.
