

SECTION 122 HLC – HAWTHORNE LIFESTYLE COMMUNITY DISTRICT

(1) GENERAL PURPOSE

This District is generally intended to accommodate detached and attached Dwellings in an integrated lifestyle community within the Hawthorne neighbourhood of Heritage Estates. This lifestyle community offers Sites with reduced Setbacks appealing to residents seeking less yard maintenance, as well as a more intimate streetscape with no on-Street parking and an internal roadway that is gated to outside vehicles at the community entrance. A mixture of housing types and sizes within a medium to high density site will encourage a diversity of residents creating a more integrated and heterogeneous community.
