## RESERVES AND ACCUMULATED SURPLUS

### POLICY STATEMENT

The City of Spruce Grove is committed to fiscal sustainability and seeks to be transparent in the apportionment of resources for future operating and capital spending through the creation of Reserves within the Accumulated Surplus. Reserves contribute to fiscal stability, debt minimization, and flexibility for emergent economic needs while creating dedicated funding sources for current and long-term service delivery and growth.

Reserves help ensure the City is financially sound, accountable, and transparent in managing public funds.

### 1. PURPOSE

- 1.1 To determine responsibilities and authorities related to Reserves and Accumulated Surplus management.
- 1.2 To outline effective management of Reserves and Accumulated Surplus and outline characteristics of each City Reserve.

### 2. DEFINITIONS

- 2.1 “Accumulated Surplus” means the total amount of assets less liabilities of the local government; the accumulated excess of revenues over expenses from prior years. Reserves form the restricted portion of the Accumulated Surplus.
- 2.2 “City” means the municipal corporation of the City of Spruce Grove in the Province of Alberta.
- 2.3 “Interest Bearing” means interest earnings will be applied to the reserve funds which have been deemed interest bearing as indicated in the reserve schedule.

		<b>Division:</b> Corporate Services - Finance

- 2.4 “Internally Restricted Reserves” means reserves that have been established for internal City purposes and allowable uses are determined by the City.
- 2.5 “Investment in Tangible Capital Assets” means the non-cash portion of Accumulated Surplus that reflects the City’s equity in assets having physical substance such as land, land improvements, buildings, engineered structures, machinery, equipment, and vehicles.
- 2.6 “Reserves” mean funds that are restricted within Accumulated Surplus for designated requirements.
- 2.7 “Reserve Schedule” means an individual schedule for each reserve which outlines the characteristics of the reserve as per this policy.
- 2.8 “Unrestricted Surplus” means the unrestricted portion of the Accumulated Surplus.

### 3. RESPONSIBILITIES

#### 3.1 Council must:

- (a) approve the establishment or elimination of Reserves; and
- (b) approve transfers to and from Reserves through Council resolution except for transfers to and from the Carry Forward Reserve and interest transfers, which shall be managed administratively.

#### 3.2 Administration must:

- (a) administer all reserves in accordance with this policy, carried out by the Chief Financial Officer or delegate, under the direction of the City Manager;

- (b) administrate all Reserves in accordance with this policy and manage the Carry Forward Reserve transfers at each year-end and interest transfers on Interest Bearing Reserves each quarter;
- (c) provide Reserves reporting to Council in accordance with this policy; and
- (d) review this policy and the Reserve fund balances on a periodic basis, and bring recommendations to Council.

#### 4. RESERVE MANAGEMENT

##### 4.1 Reserves

- (a) Establishment and/or elimination of Reserves must be approved by Council through resolution or bylaw in accordance with the *Municipal Government Act*. R.S.A. 2000, c M-26, as amended.
- (b) Transfers to and from Reserves must be approved by:
  - (i) Council resolution through the approval of the annual budget; or
  - (ii) Council resolution as a standalone item.
- (c) The City will apportion the Accumulated Surplus into Internally Restricted Reserves, Unrestricted Surplus, and Investment in Tangible Capital Assets.
- (d) Internally Restricted Reserves shall be Reserves that are in one of five categories:
  - (i) Stabilization and Contingency Reserves;
  - (ii) Project Reserves;

#### 4.2 Funding Sources

- (a) Restricted reserves may be funded from various sources including but not limited to:
- (i) direct cash receipts such as sale of capital assets and land;
  - (ii) approved budget contributions;
  - (iii) carryover of current year’s budget funds which were approved for a specific purpose but were not expended during the year
  - (iv) annual surplus contributions;
  - (v) investment income; and
  - (vi) other revenue sources.

#### 4.3 Usage

- (a) Restricted surplus funds may only be used for the purposes specified by Council in the approved Reserve Schedules attached as Schedule A to this policy.

#### 4.4 Interest Bearing

- (a) Reserves will be determined to be interest bearing if there are external requirements based on legislation or agreements, or if the Reserve is intended to maintain future capital purchasing power by offsetting the effects of inflation.
- (b) Reserves may be invested in accordance with the City’s Investment Policy CP-1054-24. The minimum rate of return will be determined as part of the budget process based on the projected performance of the investment portfolio or the interest rate dictated by the corresponding legislation

and/or agreement (if applicable).

- (c) On a quarterly basis, Interest Bearing Reserves will be allocated a portion of the City's investment income calculated by applying the City's short term investment earnings rate to the outstanding balance.

#### 4.5 Internal Borrowing

- (a) When sufficient funds are available, the City may internally borrow from its Reserves to provide for the financing of operating and capital projects thereby reducing the impact of external borrowing.
- (b) The interest rate applied to internal borrowing shall be equivalent to the average rate of return the City receives on the investment of surplus funds for the three months prior to the occurrence of the borrowing.

#### 4.6 Excess Restricted Surplus

- (a) Excess balances in a restricted surplus account will be administered based on the following process. Excess funds will be applied:
  - (i) To future known projects that meet the criteria of the applicable Reserve Schedule;
  - (ii) To another restricted surplus which has not reached its target balance;
  - (iii) To a one-time project for which other funding sources are not available; or
  - (iv) To general operating revenue.
