## News You Can Use

### Extra organics collection event happening September 30 – October 4

If you are raking up all the leaves in your yard you may end up with more yard waste than what fits inside your green organics cart. To provide residents the opportunity to easily dispose of organic materials, the City holds four extra organics collection events to help residents dispose of extra organics waste, and the next event is happening from Sept. 30 – Oct. 4. During this week, and on your regular waste collection day, residents can put extra yard/organics waste outside next to waste carts for pick up. Extra organics should be bagged in a brown paper lawn or yard waste bag.

The last extra organics collection event this year will occur Nov. 4 – 8.

Please note that during the rest of the year, only organics waste that fits inside the green organics cart with the lid completely closed will be collected. Bagged or other organic materials placed outside the cart will not be collected. When extra organics need to be disposed of, residents can save organics for the following collection week, practice grass-cycling to reduce yard waste, or bring extra organics to the Eco Centre at no charge (up to three cubic metres).

For event details visit [sprucegrove.org/ExtraOrganicsCollection](http://sprucegrove.org/ExtraOrganicsCollection).

### Residential street sweeping is starting soon

Residential street sweeping will begin next week and will take place weekdays, weather permitting.

Please give crews plenty of room to work and help us keep our streets clean by removing vehicles and other items from the roadway. In doing this, you help us ensure motorist safety and keep debris from ending up in the City's stormwater network. Our crews are also able to provide a more effective and efficient service to the community.

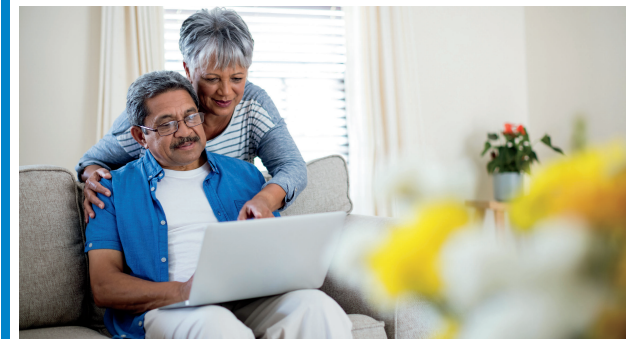

To find out when street sweeping is scheduled for your neighbourhood, visit [sprucegrove.org/Sweeping](http://sprucegrove.org/Sweeping).

## Use Online Tools to do business with the City

Spruce Grove residents and businesses now have access to Online Tools, a convenient place to look and find all the ways you can complete common tasks and report non-emergency issues to the City. From accessing permitting tools and tax information, to reporting a crime or missed waste collection, there are a lot of ways for you to self-serve online.
