News You Can Use

Renting a suite in Spruce Grove? Your parking spot is part of the deal

Did you know? When renting any legal secondary suite, garage suite, or garden suite in Spruce Grove, landlords must provide tenants with at least one designated parking stall as part of the City's Land Use Bylaw.

Assigned parking helps ensure tenants have a safe place to park and allows the City to access roads for seasonal operational services such as snow removal and street sweeping. If you are renting a suite and are not sure where your designated parking stall is, contact your landlord for details.
