News You Can Use

2025 construction season

It's construction season in Spruce Grove, and we're investing in roadways and infrastructure upgrades today to support community growth and development. Remember to slow down, watch for workers and pedestrians, and follow road signage to ensure everyone gets home safe. For updates and details, visit sprucegrove.org/ConstructionProjects.

Extended Producer Responsibility Program

Exciting news! As of April 1, the City of Spruce Grove has begun participating in the Extended Producer Responsibility (EPR) program. The ERP program benefits communities by shifting the costs of recycling from local municipalities and taxpayers throughout Alberta, to producers and manufacturers.

This means more recycling options! Plastic clamshell containers and Tetra Paks can now be added to your blue bags, this includes items such as bakery and fruit packages, rotisserie chicken containers, and boxed soup or drink cartons. Learn more at sprucegrove.org/Recycle.

Sit back and enjoy a performance in the park!

The Grove Gatherings outdoor concert series is back for another season, with live performances throughout July and August in rotating Spruce Grove parks. Enjoy music, dance, comedy, cultural performances, and children's entertainers, all from the comfort of your lawn chair! See the full schedule at sprucegrove.org/GroveGatherings.
