News You Can Use

Know a caregiver who deserves recognition?

Caregiving is selfless and caregivers deserve to be recognized! If you know a caregiver deserving of recognition (or if that's you!), refer them or self-refer to receive a free caregiver appreciation package with helpful resources and a few comfort items (while supplies last).

Pick up at Community Social Development, 414 King Street. Call 780-962-7618 or email CSD@sprucegrove.org to arrange.

Brighten up your neighbourhood with residential boulevard gardening

Got a green thumb, or just want to try something new? The City's Residential Boulevard Garden program is back! This program gives residents the opportunity to plant and maintain a garden on the City-owned boulevard adjacent to their property.

These gardens help add character to neighbourhoods, strengthen community connections, beautify streets, and provide environmental benefits like increasing environmental diversity and pollinating insects. Learn how you can get growing at sprucegrove.org/BoulevardGardens.

Property maintenance helps create a cleaner, safer Spruce Grove—let's do it together

Maintaining your property helps keep our community clean and safe, creating a welcoming, attractive place for both residents and visitors to enjoy.

The Community Standards Bylaw provides property owners clear guidance on property maintenance standards. Keep your property and neighbourhood safe and tidy by reducing unwanted odours and deterring pests. Securely store excess waste and garbage, and keep empty bottles in sealed containers indoors.
