News You Can Use

Driveway aids to be removed from streets

Driveway aids (also known as driveway ramps or curb ramps) must be removed from city streets by October 31, per Spruce Grove's Traffic Bylaw. When the snow comes, ramps can freeze to the road surface and get caught up in snow removal equipment causing costly repairs and delays for snow removal. Ramps can be placed on driveway curbs again starting May 1, 2026. Learn more at sprucegrove.org/DrivewayAids.

Extra organics collection event happening November 3-7

Doing some fall clean up in your yard? Take advantage of the extra organics collection event that provides residents the opportunity to easily dispose of organic materials. The last extra organics collection event for the year is happening from November 3-7.

To participate, residents must place their extra organics out on their regular waste collection day in a brown paper lawn or yard waste bag. Any extra organics that do not fit inside the green organics cart can be dropped off at the Eco Centre at no charge (up to three cubic metres).

Learn more at sprucegrove.org/ExtraOrganicsCollection.

Tri Region businesses: sell your product or service at Light Up!

The City is now accepting vendor applications for the community market at Light Up. Put your product or service in the spotlight at our annual winter celebration on Saturday, November 29. Apply online at sprucegrove.org/LightUp. Applications close Friday, November 7.

CityPulse E-Newsletter

Be in the know! Our bi-weekly e-newsletter is a great way to stay informed. From City news, service updates, programs, events, and initiatives, you'll get the information you need to know.
